SAVES DAUGHTER

Advice of Mother no Doubt Prevents Daughter's Untimely End.

Ready, Ky.—"I was not able to do anything for nearly six months," writes Mrs. Laura Bratcher, of this place, "and was down in bed for three months."

I think tell you how I suffered with my head, and with nervousness and women troubles.

Our family doctor told my husband he could not do me any good, and he had to give it up. We tried another doctor, but he did not help me.

At last, my mother advised me to take Cardia, the woman's tonic. I thought it was no use for I was nearly dead and nothing seemed to do me any good. But I took eleven bottles, and now I am able to do all of my work and my own washing.

I think Cardia is the best medicine in the world. My weight has increased, and I look the picture of health.

If you suffer from any of the ailments peculiar to women, get a bottle of Cardia today. Delin is dangerous. We know it will help you, for it has helped so many thousands of other weak women in the past 50 years.

All druggists.

Write to Chattanooga Medicine Co., Ladies' Advisory Dept., Chattanooga, Tenn., for Address of your local druggist and 64-page book, "Delin for Women," in plain wrapper. N.G. 192.

If cross, feverish, sick, bilious, give fruit laxative at once.
